WHAT IS NUDSA?

NUDSA is the Nairobi University Dental Association. It is made up of all students in the Faculty of Dental Sciences.

NUDSA is the student's representative and voices students' opinions and grievances through elected officials.

NUDSA is not all about addressing complaints, it is also charged with improving the students' welfare both academically and through co-curricular activities.

NUDSA is registered at the Registrar of Societies and is therefore recognized as a valid society.

NUDSA is the official mouthpiece of the student body and no other body can usurp this role.

MISSION STATEMENT/OBJECTIVES

In simplistic terms, NUDSA exists for the faculty students and its primary role is to champion students welfare.

NUDSA's full objectives are clearly stipulated in our constitution. However, this site will try to outline our objectives again in very simple terms.

NUDSA'S FUTURE

The future is bright. We see ourselves turning into a vibrant and financially stable student organization. An organization that will not only provide the Dental student a forum to raise grievances but will more importantly outside academic circles make his stay here a truly fruitful one.
